**FY 2023 PROPOSED ACTION PLAN
CITY OF BESSEMER**

Proposed Statements of Community Development Objectives and Projected Use of Funds

As set forth in 24 CFR Part 91, the U.S. Department of Housing and Urban Development (HUD) requires jurisdictions to incorporate their planning and application requirements into one five-year document called the Consolidated Plan. In turn, an Annual Action Plan must be then prepared for each year of the Consolidated Plan. The following constitutes the City of Bessemer's FY23 Action Plan.

The projected use of funds stated herein has been developed so as to give maximum priority to activities that will primarily benefit low-to-moderate income persons, or aid in the prevention or elimination of slum and blight conditions. The projected use of funds is consistent with the City's established strategy of stabilizing the community and reversing negative trends associated with urban decay and blight.
