

THE CITY OF BESSEMER STORM WATER DEPARTMENT PRESENTS

Lunch & Learn

INVASIVE PLANT ID & CONTROL

*with
Speaker*

Nancy Loewenstein, PhD

Extension Specialist
College of Forestry, Wildlife Environment
Alabama Cooperative Extension System
Auburn University

Invasive plants have become an unfortunate part of our forests, natural areas and even our back yards. Learn how to identify common invasive species, how to control them, and why using native plants in landscaping matters.

WEDNESDAY, MARCH 27, 2024

BESSEMER PUBLIC LIBRARY

11:30AM - 12:30PM

LUNCH WILL BE PROVIDED FOR THE FIRST 50 ATTENDEES
